

**Bonus features**

**Project Planning**

Prepare project plan for all construction activities and find out material, labour & machinery requirements during various phases of construction.

**Tendering**

Prepare Tenders from estimates and compare bids. Find out contractor's profit or loss for quoted rates.

Item Code	Item Description	Unit	Estimate Quantity	Estimated Amount	Running Bill Quantity	Amount Paid
1	Providing and laying in situ, cement concrete in 1:4:8 of trap / granite / quartzite / gneiss metal for foundation and bed on including bailing out water from excavation and curing etc. complete.	sqm	4.80	6,530.88	0.00	0.00
2	Providing Second class burnt Brick Masonry with conventional 5. Spine bricks in cement mortar 1:5 in superstructure including striking corals, raking out corals, wetting and scaffolding complete.	sqm	54.00	16,200.00	0.00	0.00
3	Providing and laying in situ, cement concrete (M20) of regular reinforcement metal for R.C.C. columns and foundations like wall, grillages, strips, work in foundations etc. including bailing out water, form, compaction curing and roughing the surface if special finish is to be provided (Including reinforcement & structural steel) etc. complete.	sqm	11.50	27,445.33	0.00	0.00
4	Providing and casting in situ cement concrete (M30) of trap/granite/quartzite/gneiss metal for R.C.C. beams and slabs as per detailed designs and framing etc. directed including centering, formwork, compaction and roughing the surface if special finish is to be provided and curing etc.	sqm	14.44	46,155.24	0.00	0.00

**Billing**

Prepare running bills as the construction progresses. Keep track of subsequent bills.

A Division of Param Group

Quantity Estimation made easy ..

Quantity Estimation & Tendering, Billing Training

**QE-Pro Advantage**

- ▶ Fast and accurate quantity computation
- ▶ Calculates quantities from building plans
- ▶ In built graphical interface to draw building plans
- ▶ Generation of measurement sheets in LBD format
- ▶ User definable Rate Analysis for each and every item
- ▶ Cost break up for materials, labor and machine
- ▶ Project Planning and Gantt charts
- ▶ Interface with M S Project ®
